TERMS AND CONDITIONS

Rental Scope: Provider rents the Honeybee Ice Cream Cart and agreed accessories for the event listed above. Unless separately agreed in writing, this is a cart rental only. Customer supplies all ice cream, treats, food, beverages, servers, food handling, permits, and allergy information.

Delivery, Setup, and Pickup: Delivery/setup and pickup will occur at the times listed above or as otherwise agreed in writing. Customer must provide accurate access instructions, safe parking/loading access, and an accessible setup location.

Power Requirement: Customer must provide a nearby standard household electrical outlet unless Provider confirms another arrangement. Customer must not overload extension cords, block ventilation, or disconnect the cart without Provider approval.

No Movement After Setup: Once placed by Provider, the cart should not be moved by Customer or guests unless Provider gives express permission. Customer is responsible for damage caused by unauthorized movement, tipping, misuse, blocked ventilation, or unsafe placement.

Payment: Rental fees, deposits, balances, taxes, tips, mileage, damage charges, cleaning charges, and any add-ons are due as stated in the Rental Summary. A booking is not fully confirmed until any required deposit and agreement signature are received.

Late Pickup or Access Delay: If pickup is delayed because the cart is inaccessible, blocked, not ready, or Customer requests extended use, Customer may be charged additional time, labor, mileage, or storage fees.

Care, Cleaning, Damage, and Missing Items: Customer must return the cart and accessories in substantially the same condition as received, ordinary use excepted. Customer is responsible for loss, breakage, staining, sticky residue, excessive mess, missing accessories, damage to signage, freezer components, wheels, umbrella, trim, cord, containers, scoops, QR signs, or other rented items.

Food Safety and Allergies: Customer is responsible for food selection, food handling, allergy notices, and serving practices unless Provider is separately contracted to provide staffed service. Provider is not responsible for Customer-supplied food, melting, spoilage, cross-contact, or guest allergic reactions.

Outdoor Use and Weather: The cart may be used outdoors only in reasonable conditions. Provider may refuse or modify setup if weather, ground conditions, slope, mud, wind, heat, smoke, crowding, or other conditions create a safety or equipment risk.

Decorations and Signage: Customer may not tape, glue, staple, nail, drill, paint, burn, etch, or attach items to the cart without Provider approval. Decorations must be removable and must not damage wood, trim, signs, umbrella, or finish.

Cancellation or Rescheduling: Deposit, cancellation, and rescheduling terms should be stated in the Rental Summary or in written messages between the parties. If no separate policy is stated, Provider and Customer will make a good-faith effort to reschedule, subject to availability.

Photos and Marketing: Unless Customer objects in writing before the event, Provider may photograph the cart setup for portfolio, website, social media, and marketing use, without identifying private guests or sensitive event details.

Limitation of Liability: Customer agrees to use reasonable care around the cart, cords, wheels, umbrella, freezer lids, and accessories. Provider is not responsible for injuries, property damage, food issues, or event losses caused by Customer, guests, venue conditions, weather, utilities, or misuse of the cart.

Entire Agreement: This agreement, the Rental Summary, and any written messages confirming pricing, delivery, pickup, and special terms form the rental agreement between the parties. Changes should be confirmed in writing.
